A PICTORIAL HISTORY

OF THE **WORLD WAR II YEARS**

Unlike some other languages, English grammar is comparatively easy to understand, learn and apply and once you've mastered the basics, you're all set to become a fluent user of the language. It covers all the key grammar topics in detail, and is a great book for understanding the patterns and structures of the English language. However, this book doesn't have any exercises, so I advise you to use it for reference purposes. So put in your best effort, do the lessons regularly and the English language will be within your grasp. Archita Mitra is a freelance writer, journalist, editor and educator. These free books that contain a mixture of textbooks and workbooks will be of great benefit to all. Basic Grammar Books to Get You Started If you're a beginner and you don't have much of a grasp on the grammar basics, these three books are worth checking out. English 4U English 4U is a wonderful website, filled with resources for non-native speakers who've just begun their English learning process. Their website has two free grammar books available for download. Feel free to check out her blog or contact her for freelancing/educational inquiries. But in case you've exhausted them all and are looking for more free resources to continue and perfect your learning, the links below might help. PDF Drive Database PDF Drive is a handy search engine to look for and download free e-books. That means you can conveniently choose an individual chapter or exercise to complete anytime, anywhere. Englishpage's Online English Grammar Book This website's index of grammar topics will give you a complete crash course in the language. That way, when you finally start on the exercises, you're less likely to be stuck. Try to form sentences using the examples given in the book. Most of the examples in these books will use common English vocabulary and phrases. "Grammar Book 1" is for beginners, while "Grammar Book 2" is a follow-up for intermediate students. The first book covers some of the most common English grammar topics, such as plurals, simple tenses, articles and questions. Each chapter begins with a short lesson, followed by a few exercises that are linked to the grammar quizzes on the website. "Oxford Guide to English Grammar" "Oxford Guide to English Grammar," by John Eastwood, is a comprehensive grammar reference book that you should always keep at your fingertips. It'll be ideal for those struggling with the structures of basic conversations. There are 16 chapters. If you're still confused, go for books from Oxford or Longman and you'll be in safe hands. ESL Pages' Grammar Worksheets This website contains links to download two free grammar books as well as recommendations for books you could buy. If you've already read the other grammar books and are looking to practice and apply what you've learned, you'll have a fun time solving these worksheets. The internet is rife with free resources if you know where to find them and how to judiciously use them. Each topic also has a number of online exercises to help you further practice and improve your skills. At the top of the page, they even have specific "grammar tutorials" for certain topics like verb tenses, gerunds and conditionals, which come with charts and frequently asked questions to ensure you have a clear understanding of these topics. Education First's English Grammar Guide Education First also contains a brilliant grammar guide, neatly sorted by the important parts of speech (nouns, adjectives, adverbs, etc.). Whether you're looking for workbooks, test packages, composition guides or grammar books focused on a specific topic, you'll find plenty of options to suit your needs. You can also sort books by their relevance, popularity and page counts to narrow down your options. For instance, if you're curious about nouns, you'll get to learn about the different kinds of nouns, the rules of capitalization and even about pronouns. Each of them has its advantages and you can choose the most relevant ones depending on your learning needs. How to Make the Most of a Grammar Book These tips below will guide you on how to make the best of any grammar book that you refer to. Do the lessons chapter-wise. Most grammar books will deal with the simple and basic topics before moving on to the difficult ones. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. The topics are arranged alphabetically and you can literally start anywhere. Each one begins with a short lesson, followed by several exercises that are accompanied by the right answers. The second book covers more complicated tenses, irregular verbs and similar words that are easy to mix up. I'd suggest you primarily use this as a reference tool, because they have easy-to-understand definitions and relevant examples. Think of it as more of a textbook than a workbook. They even have a free grammar book, which you can download and distribute among your friends at no extra cost, as long as you don't change any of the book's material. The book is called "English Grammar Secrets" and it's primarily focused on the correct usage of the different tenses as well as important English verb forms such as "will," "can," and "should" that are widely used in speech. This book will also teach you how to ask and answer questions and express wishes or feelings in the appropriate tense. For instance, if you're stuck somewhere or you need a better explanation, look up the topic in this book and follow the examples given. Alternatively, you can use this book as a supplement to another grammar resource, and refer to it for more in-depth explanations or a wider variety of examples. Online Grammar Books for the Busy Learner These grammar books don't come as a PDF download, but are instead available and indexed online. That way, you'll be able to identify nouns in a sentence as well as learn how to modify them to express what you want. Mammoth Lists of Grammar Books for the Perfectionists The above free English grammar books are sure to give you a strong grounding. It has 20 chapters. Grammar Teacher Grammar Teacher is a website dedicated to helping students master the English language. So you can try and memorize their formats to use in your own communication. For instance, you may encounter example questions such as, "Can you tell me the way to the school?" You can memorize the first half of the sentence and replace "school" with "bank" or "restaurant" as the case may be, and use it anytime you need to ask for directions. Look for answer keys to check your answers. When you're selecting a grammar book, make sure that you check for an attached answer key to any exercises in the book. 8 parts of speech, nouns, pronouns, verbs, adjectives, adverbs, prepositions, conjunctions, and interjections Download the English grammar book in PDF for free To download the basic grammar PDF book. Customer Reviews, including Product Star Ratings help customers to learn more about the product and decide whether it is the right product for them. Learn more how customers reviews work on Amazon This book English grammar book will help students learn about basic grammar, they will learn about the following. An answer key will tell you the correct responses to each exercise so you can compare your work. You need to ensure that you've correctly solved the exercises, otherwise you won't learn from them! Supplement with real-world English videos on FluentU. Grammar books won't be of much help when it comes to pronunciation, accents or even the subtle nuances of everyday speech. So it's always better to expose yourself to the English language as much as you can, and FluentU is one of the best (and most fun) tools to do this. It doesn't matter if you're a mere beginner in the use of English language, or you've already attained advanced proficiency but feel that your grammar has gone rusty. That doesn't mean learning English has to be like math class. There are plenty of excellent English grammar books that you can study on your own schedule, in a cafe or the comfort of your bed. No uncomfortable desks or early morning exams! Best of all, many of them are available totally for free online. In this post, I've curated a list of the best free English grammar books that you can simply download and read at your own pace. So following the sequence of lessons as outlined in the contents page might be a good idea. Read the theory first. Don't even try doing the exercises unless you've read and understood the theory first. Just like those old math textbooks from your school days, grammar books show you the rules and help you use them correctly. But don't worry. To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. You can even use them in a study group. English learning doesn't have to be an expensive or time-consuming affair. It also analyzed reviews to verify trustworthiness. There are books on a wide variety of topics, including a huge number of grammar books. However, both of the free books contain more than 100 worksheets each and are a must-have for students eager for more grammar practice. These worksheets have a wide variety of exercises to keep you engaged for quite some time. To download the book click on the following link and download your copy of the basic grammar book for free.
